

Social Impact Agile

How agile is used to
improve the world
improving people's life

A close-up photograph of two hands, one from the left and one from the right, holding a heart shape. The hands are positioned so that their fingers and thumbs meet at the top and bottom of the heart, creating a white heart-shaped void. The background is a bright, golden-yellow sunset or sunrise, with a soft glow and a faint rainbow-like arc visible. The overall mood is warm and positive.

**MAKE A
DIFFERENCE**

Big companies have similar
