INDIA

Three stones in the journey....

We got started on this journey because we believed ***Passionately***

We worked on ***Strategy*** because we wanted to work to a plan to convert passion into reality

We knew that reality check will throw challenges at us and we will have to be ***Agile*** to take advantage of opportunities and beat adversities

Passion

Agility

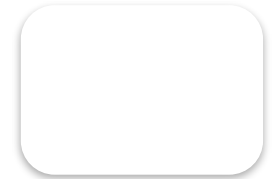

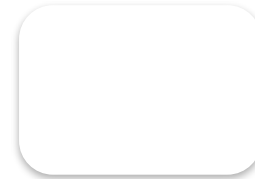

Strategy

Passion stones:

1. Inspiration and imagination
2. Aspirations and ambitions
3. Desires and objectives
