

Business Agility Dice Game

Preparation

Material : Business Agility Dices (You can build them with a cubo made of hard paper, and post its to stick on each dice side with domains.)

Room Setup

Room with a round table and chairs for each 05 to 07 people, so they can work together with the dice.

Facilitation Process

- 1.) Give group per table one Business Agility dice. Each dice must have a business agility domain picture per side. Since the dice has 06 sides, and there are 13 domains, you can have dices with diferent domains. Tell people they will play with the dice for 20 minutes.
- 2.) Give each group of people a dice.
- 3.) Ask them to play with the dice and discuss about what is the most essecial thing to remind about business agility domain they see on the top side of the dice.

Business Agility Dice Game (variation with onde dice only)

Preparation

Material : Business Agility Dice

Room Setup

Room with a round table and chairs for each 05 to 07 people, so they can work together with the dice.

Facilitation Process

1.) Place each side of the side couple of post its with questions. Each side can have questions related with one specific domain. Leave the dice in one specific table in the room with instructions for the participants to play.
