HOW ABOUT WHEN YOU GAVE UP YOUR HOME TIME?

- Be on time
- Don't do non-work tasks during work hours
- Do work during nights and weekends

OR WAS IT WHEN...

Your idea was shut down?

Your bonus was based on an impossible project?

Your self-worth was challenged?

Your project was cancelled?

You didn't get the credit?

You were excluded?

POWER: TRADITIONAL TEAMS WERE HUB-AND- SPOKE

- What does it feel like to be on a team like this?

POWER: AGILE TEAMS HAVE POWER

**We've built the competency to collaborate,
which gives us a collective voice.
It's time to start using that voice.**

FREEDOM: ARE YOU BOUND BY YOUR LOANS?

CONNECTION:

- Work is a Human System.
- Human Systems are fueled by connection.
- Put some focus on intentionally building human connection.

SOULS@WORK BILL OF RIGHTS

Regardless of pay structure, we have:

- The right to be happy and fulfilled at work.
- The freedom to speak up when we don't agree with what's happening.
- The right not to have our self-worth challenged and judged.
- The right to know exactly what puts our job at risk.
- The right not to accept dehumanizing language aimed at myself or coworkers.
- The right not to be manipulated by fear, shame or threats of job loss.
- The right to have a vote in decisions that diminish employee benefits or pay.
- In exchange for these rights, we will give the company the best version of ourselves and serve the company to the best of our ability.

RE-EXAMINE YOUR WORLD

- Consider your relationship as employee and/or employer.
- Is it fair?
- Are you accepting unfairness?
- What would it take to make it fair?

“The only thing necessary for the triumph of evil is that good men[people] should do nothing.” – Edmund Burke
