Heresy

/'herɪsi/

Belief or opinion contrary
to orthodox doctrine.

Derived from the Greek

hairesis 'choice' haireomai 'choose'

“And yet it moves...”

Galileo Galilei

Agile vs Agility

(what you can buy & what you must earn.)

Authority vs Autonomy

(The fine line between
enablement & anarchy.)

Facts vs Fables

(Destinations, journeys &
the fuzzy bits in-between)

果 由 持

Hierarchy vs Networks

(The true structure of your organisation whether you like it or not.)

“We can’t stop here!
This is Bat Country!”

Hunter S. Thompson

#1 Stop trying to buy agility... earn it

#2 Stop trying to empower teams... give them a purpose,
boundaries and support

#3 Stop trying to arrive... agility is a state of being that
required discipline, thought & passion

#4 Stop paying attention to your org chart... get
connected to your people

#5 don't Stop in bat country... define yourself by what you
love. Find your way.

“we are not here to rewire the world...
We are here to create a world with fewer wires”
